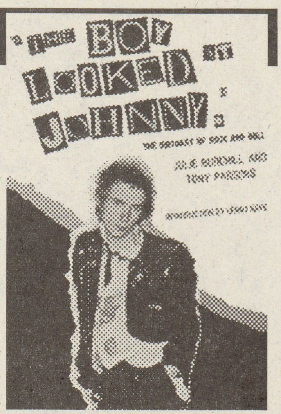
BANNED IN DC



THE BOY LOOKED AT JOHNNY
JULIE BURCHILL AND TONY PARSONS

"BANNED IN DC" book: 176-page book on the 1979-85 Washington DC punk scene. Lots of photos, stories, etc of Minor Threat, Bad Brains, Faith, the "wonderful" birth of hardcore,straight-edge,punk "rulebook" **(600 grams) 36.00 DM**

"BOY LOOKED AT JOHNNY" book: 95-page reprint of 1978 book by Julie Burchill & Tony Parsons.Super-cynical "obituary of punk" take slamming the Stooges/Dolls as "poseurs", but what in hell d'ya think UK punk was? OK book, I guess..**(250 grams) 20.00 DM**

"BUZZCOCKS-COMPLETE HISTORY" book:160-page book running an almost daily list of what they did,including 1970-1975 band member activity.Gigs, recording sessions,discography,varied line-ups, etc. Not too many photos. **(300 grams) 29.00 DM**

"DREAM BABY DREAM": Sweet-ass 110-page book of the sharp B&W photos of Stephanie Chernikowski, who documented the '77-'82 punk/new wave/no wave rock scene of Max's/CBGB's/Mudd Club NYC. Bands included: Cramps, Dead Boys, Ramones, Heartbreakers, Blondie, Dictators, James White, Nico, Patti Smith, Iggy, Suicide, Richard Hell, Television, etc **(540 grams) 52.00 DM**

"FROM THE VELVETS TO THE VOIDOIDS - PRE-PUNK HISTORY FOR A POST-PUNK WORLD" 384-page book dealing with Velvets, Stooges, MC5, Dolls, Suicide, Ramones, Heartbreakers etc. Cool, but the author (a Dylan freak) deals with the artier side of punk too much.and pays little mind to the straight-out rockers (Pagans, Heartbreakers, etc) **(500 grams) 33.00 DM**

"GET IN THE VAN: Henry Rollins' FAT 250-page A4 hardcover diary of EVERY Black Flag gig Rollins sang on, 1981-1986. Actually somewhat readable, as it's mininmal on the "Oh I'm so tormented & fragile yet HARD" crap. Lotsa photos. **(1.250 grams) 65.00 DM**

"IGGY POP- "I NEED MORE" book: 128-page A4 autobiography by Iggy, with his recollections on wild shit during the Stooges" days, lyrics to songs (NOT such a good idea:Why in HELL are turd bands like EMF even allowed to cover 'em? **(300 grams) 23.00 DM**

BANTAM ROOSTER!

Bantam Rooster
Miss Luxury

BANTAM ROOSTER debut 7" "MISS LUXURY/ REAL LIVE WIRE" 6.50DM Yet another minimalist crew with maximum outburst! Bantam Rooster are from Lansing, Michigan and are T. Jackson Potter on guit & vocal and Eric Cook, skinsman extraordinaire. Monsieurs Potter & Cook hooked up in 1994 after the split-up of Potter´s Kill Devil Hill and the down-time of Cook´s Gravitar in order to unleash a rather intense hillbilly-blues-infused rock´n´roll squall. Said squall resulting in some sorta beefy stew comprised of the ribcage o´ P Galore, the rump flank o´ Thee Mighty Caesars, the elbow o´ les freres Gibson an´ perhaps the pelvic bone o´ Jerry Lee. This swank lil´ 7" consists of 2 mighty fine tunes; "MISS LUXURY" cops heavily from MI fore-fathers´ "1969" as driven thru Msr Childish´s AC30. "REAL LIVE WIRE" is a slinky, sexy, struttin´ plea o´ lust.

BANTAM ROOSTER's debut lp/cd coming soon on CRYPT

BEGUILED!

THE BEGUILED
blue dirge

THE BEGUILED "BLUE DIRGE" LP/CD CD: 24.00 DM LP: 17.00 DM A fucking GREAT twisted MASTERPIECE of rippin' garage rock that completely avoids the xerox cliche-ity of the hundreds of " neo-garage " dorks that are constantly springing up with their dull, UNORIGINAL imitations of either the crap Fuzztones or the drudgery of the Monomen. When the Beguiled fuck around with something like surf (a WAY over-worked new "trend" among the "retro" crowd), they create eerie slow-mo evilry instead of "cute" shit. They co-opt a lotta Stooges riffery BUT RATHER than going for a "heavy" "Detroit, man" attack, they pummel said "riffery" thru a ton of REVERB, surfing the Stooges thru a massive swamp of molasses. ORIGINAL. Fucking goddamn classic originality. A RARE THING. ENJOY... 14 cuts: "She-Devil Rock/I Walk Alone/El Muerte Del Rey (AN LP-only cut!)/The Weird Machine/Fire Rock/Nycoidia/The Nightrider' s Theme/ Orbitronic Injun/Easter Island/Sonico/ The Bloody Soul/Imp Of Satan/The Screaming Rummy".

-BEGUILED 7" 4-song EP on ESTRUS: 9.50 DM: 2 of the songs were re-recorded for the "BLUE DIRGE" LP, so that leaves you with 2 cuts: "Black Gloves" & "Woman Is Trouble"

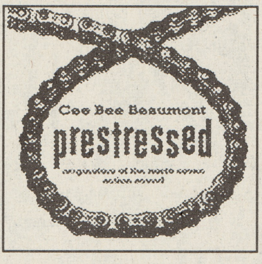
BLACKTOP
I GOT A BAAAD FEELIN' ABOUT THIS

BLACKTOP debut LP "I GOT A BAAAD FEELING ABOUT THIS": 21.00dm Mick from the Gories new group with Darin & Janet from Fireworks plus a bassplayer. It' s a great LP fulla Gories-goes-bluesier grunt & howl! 14 songs: "Blacktop/Tornado Love/I Think It' s Going To Rain/Planet Earth/Mojo Kitty/Blazing Streets/From Beyond/ Confusion/ The Grave/No One Knows Your A Dog/Flagpole Hill/Your Pretty Face/Blacktop" & a killer cover of early Capt Beefheart thumper "Here I Am".

CEE BEE BEAUMONT!



LP: CEE BEE BEAUMONT "PRE-STRESSED" 20.00 DM: Great 20-cut debut instro punk hoot back in stock! "The Micro-Cycle Offensive/Wormhole/ Deadshot/ After The Slide/Gumkick/ Swamp Drag/Weeny Roast/York Way Rumble/A Continental Cooler/Led Pedal/Scooter Joe/The Zero Agenda/N19 Mudslide /Roscoe Monstertruck/Mad Dog Glove Compartment/ Mansize/Dumpsterville Patrol Vehicle/SlapDunk/The Offord Road Divide/Zippo Raid"

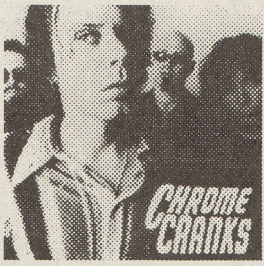
CHEATER SLICKS!

CHEATER SLICKS LP: "DON' T LIKE YOU" 20.00dm: 11-song lp produced by Jon Spencer at the Chrome Cranks' cool Funhouse studio. This blows away ALL their prior lps: Captures their crude, raw live sound with reverb aplenty! Songs are: "Feel Free/There' s A Girl/Motherlode/ Destroy You/You Aint Good/ Spanish Rose/Should I/Poor Me/Sadie Mae/Mystery Ship" and the hilarious "Sensitive Side", in which Spencer "guests" in a Barry White-style laid-back crooner vocal praising the Slicks. Their best stuff yet!

CHEATER SLICKS
trouble man
hook or crook

7": CHEATER SLICKS "TROUBLE MAN/HOOK OR CROOK" on CRYPT! 6.50 DM: 2 non- exclusive non-lp cuts from the sessions produced by Jon Spencer. "TROUBLE MAN" is a sloppy, fast, noisey punker. "HOOK OR CROOK" is a killer cover of a song from Alex Chilton' s "LIKE FLIES ON SHERBET".

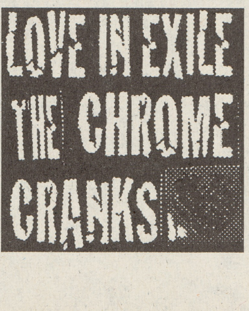
CHROME CRANKS!



CD: CHROME CRANKS "S/T" 30.00 DM: Their ace 11 cut debut : "Dark Room/Subway man/Drag House/Driving Bad/Eight-Track Mind/No.1 Girl/Doll In A Dress/Back-door mania/Lo-End Buzz/Outta my heart"

LP/CD: THE CHROME CRANKS "DEAD COOL" LP: 17.00 DM CD: 24.00 DM: The Chrome Cranks kindly styled us with a mighty bold 30-minute, 8-song album following their debut PCP alb of Nov 94, this go-round featuring the drumming skills of Mr Bob Bert. This baby kicks off with the bass-heavy, Scientists-meet-a-less-"goth" Birthday Party swamp-crawl of "DEAD COOL", rolls right into the early Gun Club-tinged "DESPERATE FRIEND", pummels ye with 2 slabs o' Stoogery ("SHINE IT ON", "NIGHTMARE IN PINK"), a sharp 16-track re-recording of their Suicide-with-guitars throb-rocker "BURN BABY BURN", mo' swamp-crawl with "BLOODSHOT EYE", some roadhouse-a-billy in "DOWN SO LOW", plus their ace SFTRI 7" A-side, "WAY OUT LOVER"....

THE CHROME CRANKS
DEAD COOL



LP: CHROME CRANKS "LOVE IN EXILE" 21.00 DM: Kinda a weird move: this new set of 12 cuts is in a laidback, "loungey", "jazzy" mood. Some cuts ("Lost Time Blues" kills!) are really sharp, some so-so. "Movie Star, Hot Blonde Cocktail, Wrong Number, Hit The Sand, Receiver, See That My Grave Is Kept Clean, Down For The Hit, We're Going Down, Movie Star #2, Dirty Son, Curtains For My Baby."

COUNTRY TEASERS!

DEBUT 7" 6.50 DM: by this Edinburgh, Scotland crew: 2 raw, crude cuts of slide-guitar driven country-influenced garage slop! "ANYTIME COWBOY" tells the story of what a cowboy REALLY wants in a woman after a long day on the range (namely; his DICK!). "NUMBER ONE MAN" is a crunching tune of BRAGGADACIO! (a FAR cry better than all these mutherfukkin´ "self-pitying" "slacker anthems" written by every "Generation X" loser with no imagination and too many Dino Jr records!).

Country TEASERS

"THE COUNTRY TEASERS" 10-song 10":15.00 DM/ 12-song CD: 20.00 DM)
10 sharp tunes recorded at Toe Rag in London in Sept 94 and then completely re-mixed when the drummer got thrown out. A cool mix of SLOW, MOURNFUL (tho SARCASTIC!) ballads ("ONLY MY SAVIOUR/ DROVE A TRUCK/STAND BY YOUR MAN"), some uptempo "rockers" (the "disco" version of "ANY-TIME COWBOY", their sleazoid LOUNGE-CROONER-GONE-BERSERK "doo-wop" screamer "BEEN TOO LONG"), the resonating early-Fall thud of "BITCHES FUCK-OFF", a rambling, loping take on Lee Marvin´s classic "WANDERIN STAR" - done as "WANDER-ING BLACK CLOUD".... a fine chunk of GRITTY C&W-flavored garage muck!

COUNTRY TEASERS 2nd LP/CD: "SATAN IS REAL AGAIN" LP: 17.00 DM/ CD: 24.00 DM:
Yasss!! 13 new cuts from this now-London crew. EXPECT TO BE FUCKED WITH, as this is NOT yer "typical Crypt loud-raw" thunk; Country Teasers are a bent outfit mixing up a wide variety of influences and creating THEIR OWN brand of muck. For those that rely on name-dropping, here´s a wee bit: EARLY Fall, a WEE BIT of C&W flecked garage, some early-80s nu wave... The utterly BLACK humor of Ben R Wallers will certainly have the P.C. whiners up in arms - Ain´t FREEDOM OF SPEECH wonderful? Anyway, the new alb kicks off (as did their debut 10"/CD) with a noisey instrumental "intro", "THE WIDE-OPEN BEAVER OF NASHVILLE". Next up: their ALMOST "radio-friendly" "kashmir" cop "BLACK CHANGE" kicks in. Track 3 is an ode to the subtleties & rather innocent pleasures of "PANTY SHOTS". Next up: "IT IS MY DUTY", a charming skipping treatise on the overly facistic feminism of now. Rather than apologize for any whining from the PC do-gooders, the next tune, a poignant C&W ballad, blames Ben´s brutal truth-laying on the "DEVIL ON MY BACK". Next up, the video-game squealing instro "LITTLE BLACK CLOUDS". And rounding off side 1, another quiet C&W ballad, "LIES". Side 2 kicks off with a rollicking new wave "dance" ditty on the joys of being a man, "THANK YOU GOD FOR MAKING ME AN ANGEL", comp-lete w/ intro/outro cops from a Joy Division tune. "CRIPPLES" is an ace mid-tempo jaunt. "SOME HOLE" is a crawling slide-guit-screeching C&W ode to chasing pussy. "I DON´T LIKE PEOPLE" is a fast-paced R&B rocker about the "pleasures" of society. "COUNTRY FAG" is a rather crude "thru the eyes of" sketch about the manly West. "SATAN IS REAL AGAIN" is a dark discourse on Ben´s personal tract with the Prince Of Darkness. And, after all that bile and blood-letting... a quiet cover of the old standard, "THESE THINGS SHALL PASS", Ben´s message of perseverance and hope.
